OUR MISSION

As Yigitalp Hotel, we strive to make you feel as comfortable as you would in your own home in every aspect, especially maximum hygiene. Safe and friendly With an understanding, we establish family communication, not customer relations.

OUR VISION

We aim to provide you with the best experience while relaxing, with the understanding of satisfaction and friendly and quality service that we have targeted from the beginning of our journey.

OUR SUSTAINABLE MANAGEMENT SYSTEM

Regarding sustainability, our hotel undertakes to fulfill the obligations of the Turkey Sustainable Tourism Program and to continuously improve its sustainable management system to increase its sustainability performance.

Our management system is constantly reviewed due to the situation of the sector, environmental, social, technological, economic and cultural risks, changes and updates arising from legislation, and the system and policies are updated if necessary.

Our "sustainability policies" constitute our company's commitment on this issue. Starting from this point, all our orientations will be with this intention and direction. Our aim is to transform the principle of sustainability into a "way of doing business" in basic areas of our hotel and to bring it into the corporate memory. Turning our efforts into success and gaining continuity will only be possible by acting together with our employees, guests, business partners, suppliers, solution partners, and all our interlocutors in our immediate environment, to expand it and turn it into a partnership that we will strengthen day by day.

It is very valuable to raise the awareness of personnel, who are considered an integral part of the sustainability approach, to give them opportunities to be involved in the process and to contribute to development opportunities. In this context, in our annual training planning and orientations; Our training topics include social rights, supporting local employment, protection of natural life, supporting wildlife, historical touristic places of the immediate environment, cultural richness, ecological diversity, energy and water saving, environmental activities-recycling system, orientation to local resources, and within the business Efforts are being made to disseminate the philosophy of sustainability. The main goal is to provide strategic support to all companies and departments to improve business results through human resources management in parallel with business strategies, and to contribute to the creation of value for all stakeholders by creating and encouraging a high performance culture. In addition to all these, it is aimed to increase awareness in every sense with both orientation training and professional level trainings determined according to annual training needs.

Sustainability studies are under the coordination of Hotel Managements, and the evaluation of our activities and performance in this field is always open to the expectations and opinions of our stakeholders.

OUR SUSTAINABLE POLICY

WE CARE ABOUT NATURE AND THE FUTURE. We offer the highest quality services to you, our valued guests, together with all our stakeholders, in the heart of Istanbul.

We aim to provide an accommodation experience.

In this direction; Legal requirements We respect the legal legislation and the rule of law in all our product and service processes, and act in accordance with National and International Laws and other relevant laws, as well as other conditions that our institution is obliged to comply with.

Safety of Our Stakeholders and Investment in People All our stakeholders are our most valuable asset. The health and safety of our employees, suppliers and all our stakeholders is our priority.

Continuous training is provided to all our employees to increase health and safety awareness, risks are constantly reviewed, and we follow and meticulously implement technological developments to reduce risks in line with evolving conditions.

All stakeholders have freedom of thought and belief, and we do not discriminate against anyone on issues such as language, religion, race, gender, social class, age and union membership. Protection of human rights is our fundamental rule.

Guest Satisfaction

Our guests are the reason we exist. We ensure that we follow all guest suggestions and complaints from all sources, resolve the complaints in accordance with the rules of ethical conduct, and turn complaints into opportunities for ourselves by informing our guests transparently about this issue.

Respecting the Environment and Protecting Natural Life

By adopting the principle of commitment to protecting the natural environment in all our activities and using our resources in the most efficient way, we ensure the prevention of environmental pollution, reduce our waste amount within the scope of zero waste, and are sensitive about protecting the ecosystem of the resulting ones.

Energy Saving By using our energy resources in the most efficient way in our hotel

We aim to continuously improve our energy performance through infrastructure investments as soon as possible by researching the use of alternative renewable resources.

Food Safety – Products that comply with Hygiene Quality and food safety principles

We apply the food safety management system throughout the food chain to produce and deliver, and we constantly improve hygiene conditions by prioritizing them.

SUSTAINABLE SOCIAL RESPONSIBILITY

OUR POLICY Child Friendly Tourism

We are aware that our children are the building blocks of our future. We care that they grow up free and safe, without being exposed to any exploitation.

Support to Local Economy and Sustainability

We are aware of the contribution to the local economy, which is why 80% of our suppliers and raw materials are local. For sustainable tourism, we make environmentally friendly purchases that produce less energy, water and waste.

We believe that all our employees have the right to work in a healthy and safe environment, under working conditions compatible with human dignity. Our employees are our most valuable asset, and ensuring and protecting the safety of our employees is our top priority business goal. Beyond legal obligations, our hotel is always ready to implement the best environmental solutions and to support any initiative that will help the development and dissemination of environmentally friendly technologies and increase environmental awareness. As a hotel, we take our social and environmental responsibilities towards the society in Istanbul, where we operate; We take care to carry out our work in harmonious cooperation with our shareholders, employees, public, non-governmental organizations and other stakeholders.

We believe that our human resources are the most important element of sustainable growth. We ensure the full and correct use of our employees' personal rights. We treat employees honestly and fairly, and we are committed to a non-discriminatory, safe and healthy working environment. We make the necessary effort for the individual development of our employees and observe the balance between business life and private life. We manage the environmental impacts that may arise from all our activities with a sense of responsibility.

As a hotel, we support our society within the framework of corporate social responsibility principle.

We strive for its development. We support our employees to volunteer for appropriate social and community activities in which they will take part with an awareness of social responsibility.

We take care to develop approaches to ensure that all our business partners, especially our suppliers, act at hotel standards in the field of social responsibility and to implement these approaches.

We are sensitive to the traditions and cultures of Turkey and the countries in which we operate, and act in accordance with all legal regulations.

OUR SUSTAINABLE POLICY

OUR QUALITY POLICY is on the way to achieving our vision as a hotel;

- To meet guest expectations at a high level and to be a first organization in the sector, to establish the founding philosophy with all our staff, to provide continuous improvement, trust in the workplace and service that exceeds the expectations of our guests,
 - In accordance with national and international legislation and conditions; To provide service with the necessary sensitivity with a preventive approach to food safety risks,
 - To be an exemplary business for all other organizations in our country and to create value
 - To prevent these accidents by minimizing all risks that may endanger the health, life safety and occupational safety of our guests and staff, to make quality measurable, to ensure continuous improvement of the system and to ensure the unity of our employees and management by setting targets,
- As a hotel, to raise environmental awareness with its staff and to leave a cleaner, healthier and safer environment to future generations.

Our Environmental Policy

As a hotel, for the protection and continuity of the environment we live in; While carrying out our activities, we detect negative effects on the environment and possible dangers, use natural resources in the most efficient way to protect the environment and nature we live in, reduce the amount of waste, ensure recycling and prevent environmental pollution. To minimize the environmental impacts arising from the activities we carry out by complying with all environmental legislation and administrative regulations inside and outside the business, by using resources correctly and separating wastes in the most correct way, air,

Preventing water and noise pollution and their negative effects on human health and nature, ensuring the continuity of health, environment and natural life through the training we provide to our employees, and leaving a cleaner environment to future generations constitute the hotel's environmental management philosophy. We comply with applicable environmental laws, regulations, legislation and regulations and fulfill all requirements; We carry out our activities by constantly improving ourselves.

Our Occupational Health and Safety Policy

As a hotel; In order to protect our workplace, employees, guests and suppliers, create a safe work environment and ensure continuity; *Work We comply with all legal and other obligations regarding Health and Safety. *Work We embrace the principle that Health and Safety and improvement activities are the common responsibility of all employees. *We set targets for participation in Risk Assessment and Risk Mitigation activities at all levels. *We aim to achieve the sustainable "Zero Work Accident" target by constantly improving our Occupational Health and Safety culture. *We share the work we do within the scope of occupational health and safety with all our employees and our environment in order to be a pioneer and an example.

Sabah 11.00'den önce teslim alınan çamaşırlar aynı gün 20.00'ye kadar iade edilir. Her gün servisimiz vardır. Sadece ütü için gelen ürünlerden, temizleme ücretinin %50'si alınır.
Herhangi bir talep veya şikayet, esas liste ile birlikte 24 saat içinde yapılmalıdır. Eğer şikayet konusu, idarece haklı görülürse, sözü edilen eşyanın temizleme ücretinin en çok 15 katı ödenir. Rengin dayanıksızlığından ve kumaşın çekmesinden Otel mesul tutulmayacaktır. Çamaşırlarınız için resepsiyonu arayınız.

Laundry delivered until 11.00 hours is returned on same day until 20.00 hours. We have service every day. For the items to be left just for ironing, 50 percent of the laundry fee will be charged.
Claims of loss or shortage must be made within 24 hours, accompanied by original list. In case of acceptance maximum reimbursement will be 15 times the amount of the service rendered. We will not be responsible for shrinkage or fastness of colour.
For your laundry, please call the reception.
